Dear Leesburg Optimist Club,

Thank you for donating money to the HOBY conference! As a 2014 Ambassador from Dominion High School, I am ecstatic that I received the chance to attend this life-changing conference! Due to your generous donation, I have learned about overcoming failure and writing my visions. When I first walked into this conference, I was a timid girl. After two days, I have emerged as a confident leader. My favorite activity in this conference was building a picnic table for Habitat for Humanity. I particularly enjoyed this activity because volunteering is my passion. I hope to use the skills that I learned from this conference to make a difference in the world!

Thank you,

Rachel
