Dear Leesburg Optimist Club,

My name is Madeline [redacted] and I currently attend Tuscarora High School. I cannot express in words how thankful I am for your donation to the Hugh O'Brian Youth Leadership Seminar 2014. The seminar was full of people just like me and helped me make connections that will last a lifetime. I am now truly inspired to make a difference in this world no matter the obstacles that I may need to overcome. With the inspiring speeches and group activities, I learned what it means to be a true leader and how to implement my leading style in my community. Thank you so much again, I hope you realize how life changing your donation was.

Sincerely,  
Madeline [redacted]
