Dear Friends:

Thank you so much for adopting a LAWS family again this year! You did an excellent job fulfilling their needs and wishes – we recognize how much time, organization and commitment it takes to do this project well!

We're very grateful to you for helping victims of domestic violence and sexual assault feel worthy of others' compassion as they make the brave choice to ask for help, begin to heal and move forward with their lives.

You have lifted the burden of being able to afford presents from this family – making Christmas a beautiful time even in the midst of the overwhelming stress of dealing with the abuse.

Again, we thank you for your support and wish you a joyful holiday season!

Sincerely,
