Leesburg Optimist Club  
Leesburg, VA

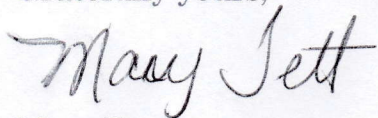

Dear Don Greico,

On behalf of the Loudoun County High School All-Night Graduation Party Committee, I would like to thank you for your continued support of the All Night Grad Party. We could not pull this party off without your volunteers for the casino every year.

There are so many moving parts to this party and having the Optimus Club handle this particular tradition makes organizing the party that much easier. We know it was a bit slow going for awhile but once thee kids finished pummeling each other in dodge ball the tables seemed to fill. Some graduates were concerned that they didn't know how to play the games but were assured your group had the best dealers to learn from. My son (a 2015 graduate helping at the party) also passed on his extremely positive experience from his ANGP to those graduates who were hesitant to "play". All of you did an outstanding job. We really can't thank you enough.

Your volunteers helped ensure not only that the Class of 2017 experienced an evening they will always remember but that they were able to do so in a safe and secure environment. For the latter reason I can assure you of the deep gratitude of the class parents as well.

Gratefully yours,

Mary Tett
